

LIVING DEBT FREE

Heavenly Father, you are Jehovah Jireh, my source and my supplier. You supply all of my needs according to your riches and glory in Christ Jesus, **Philippians 4:19**. You are my Shepherd and I shall not want, need or be in lack, **Psalms 23:1**. I thank you, Father, that I have more than enough money to pay my monthly bills on time. You say I can decree a thing and it shall be established, **Job 22:28**. Therefore, I decree that I keep out of debt and owe no man nothing but love, **Romans 13:8**. I thank you, Father, that I have self-control over my spending habits and I do not spend needlessly or unwisely. I seek wisdom from above when making decisions concerning my finances, **James 3:17**. I control my spending habits, and they do not control me. I am self-sufficient in Christ's sufficiency, **Philippians 4:13** (AMPC). I am organized and on track in all that I do. Thank you, Lord, for giving me guidance and direction concerning my finances. I decree that I live in the overflow, and increase is all around me. Poverty and lack can not come neigh me. I am victorious in Christ Jesus for greater is He that is in me than he that is in the world, **John 4:4**. In Jesus Name, AMEN.
